Development Department, Madras

Sir,

Sub: Industries - Sericulture - Kollegal
Filature Silk - Design for silk labels -
Regarding.

As Government are aware, for the last six months, the entire production of silk of the Filatures at Kollegal is being released to the civilian market. Thanks to the absence of imports of raw silk from China and other countries, the Filatures experience no difficulty in disposing of their production. Conditions are not likely to remain as they are today for long, however. It is essential therefore to take steps from now on to make Kollegal silk known to the trade so that when large imports of raw silk invade the market, the trade would still demand Kollegal silk. To help the trade to do so, it is necessary to associate the silk with a particular trade mark.

For some time, I have been considering the most appropriate trade mark by which the filature silk of Kollegal should be known. I have decided to have a peacock label which is essentially an Indian bird with rich and colourful plumage. In this connexion I may point out that Kashmir silk is known after the Lotus and the Mysore Filature silk after Chamundi. Madras will be known in English as 'Peacock Brand' silk ~~xxx~~ which, translated into Tamil, will be known by the trade name of 'Mayyil Mark' silk. At my instance Mr. Roy Choudry, the Principal of the School of Arts and Crafts has painted a picture of a peacock for this particular purpose. It is a magnificent production worthy of the quality of silk which the filatures at Kollegal are expected to reel. This work of Mr. Choudry

has nothing to do with ^{his} ~~the~~ official ^{duties} ~~work of his~~ and the Filatures being a commercial concern should pay for it. I have made arrangements for making a block and the printing of labels. The total cost involved in this is Rs. 4,950 as detailed below:

Cost of the picture to be acquired by the Govt. Silk Filatures, Kollegal	..	Rs. 1,000.
Cost of making blocks	...	.. Rs. 3,600
Cost of printing labels	...	.. Rs. 350

I request that Government may be pleased to sanction the expenditure. The expenditure should be debited to ~~the~~ ^{new} head "85.a. Capital Outlay on Provincial State trading - C. ~~Misc~~ Other miscellaneous schemes: F. Government Silk Filatures, Kollegal - 6 - Buildings plant, machinery and other equipment."

for silk labels - Expenditure -

C 16243 D/46 Htg Ref: From the D. I. & C., no. 7784 D/45 d 23.2.45
To 2.5.

Please see the D. I. & C.'s letter at pp 1-2 of

The proposal is to sanction an expenditure
of Rs 4,950/- as per details furnished at ~~top~~ p 2 of
and to ~~sanction~~ ^{pay} Sri D. P. Ray Choudhary, Principal, Govt
School of Arts and Crafts ^{Hedra} to ~~sanction~~ the remuneration
for painting ^{the} 'peacock' picture which the D. I. & C.
intend to ~~sanction~~ ^{use as} the trade mark for Kalyan Silk.
The expenditure involved is considerable as there was no
agency ^{to} ~~for~~ the proposal. The prior approval of the Govt. of Madras
obtained by the D. I. & C. has already made the
arrangements for making a block and printing the
labels, the proposals will have to be accepted.
A draft order is submitted below for approval.
It may be sent to Finance for acceptance.

I think in a matter of this
to kind the D. of I. & C. should
definitely have come up to Govt.
first. In actuality what has
happened now is that the D. of I. & C.
has ~~is~~ asking Govt. to buy a
picture which hasn't been seen at
a price of Rs 1000/- ^{the} which ^{price} has been
presumably settled between himself
and Choudhary without ~~the~~ prior
consultation with Govt. However
perhaps the proposal may be accepted
for orders.

ing remarks:-

(1) The Director of Industries & Commerce may be informed as at 'A' An Development note on p.1 above.

The D.I.C. is too much inclined to commit the Govt. without getting prior orders in matters where there is no great urgency & prior order could easily be obtained. In this case it should have been obvious to him that before Mr. Roy Choudhury

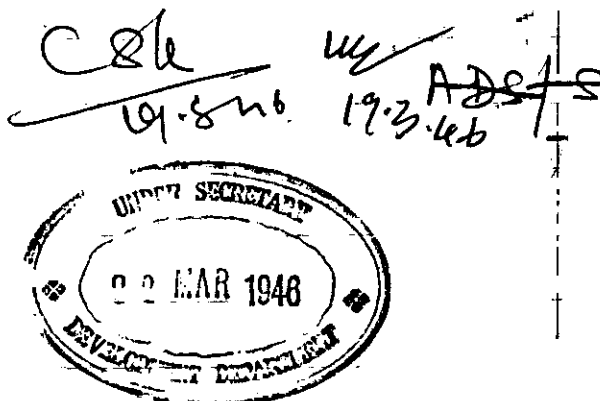

(2) In having produced a picture of a peacock for use by the Govt. as a trade-mark for Kollegal silk, Mr. Roy Choudhury has only done a work of art which is within his field of work and for which he is employed by the Govt. As Principal of the School of Arts & Crafts, he teaches "arts and crafts" to the pupils in the school and he has not gone beyond the field of "arts and crafts" in having drawn an artistic picture for Govt. The fact that the work does not strictly fall within his duties as Principal of the School of Arts & Crafts does not seem to justify the grant of a remuneration. There seems to be therefore no case for the grant of a special remuneration to him as proposed. If, however, it is considered that the author of the picture deserves ^{some special} remuneration in view of the special nature of the work done by him, Finance may perhaps suggest that Rs 500 may be sufficient.

was asked to do the work, the Govt. should have been asked for orders whether he would be given any special remuneration & if so how much. DWS

(3) The question arises whether the expenditure proposed will be on a "New Service". The preparation of a design for the label to be affixed as a trade-mark for silk produced in the Govt. factories seems incidental to the trading scheme. Expenditure on similar labels is incurred in respect of other Govt. products eg. Soap, relating to manufacture and sale of silk. ~~It need not therefore be treated as a "New Service".~~ The Expts. in the present case need not therefore be treated as a "New Service". A-1 may, however, see.

To a.s.

This file deals with the proposal of the D.G & C. to adopt the 'peacock' as the trade mark for the silk manufactured at the Silk Filatures at Mithal and to sanction an expenditure of Rs 4,950/-, as per details furnished at 'C' on p 2 of. This Dept.

Support the proposals of the D.G & C. as arrangements have already been made by the D.G & C. to get the picture painted by Mr. D.P. Roy Chowdhury, Principal School of Arts & Crafts, Madras and get the cloth printed and labels bearing the 'peacock' trade mark get ready for the advertisement.

The Finance Dept. do not consider that a grant of Rs 1,000/- for payment to Mr. Roy Chowdhury for the picture painted by him is justified. They consider that an amount of Rs 500/- will be a sufficient remuneration for Mr. Chowdhury. The Finance Secy has remarked that the D.G & C. should have fixed the remuneration after obtaining the orders of the Govt. It is for order (i) whether the proposal of the D.G & C. will be accepted in the or (ii) whether it will be accepted with the modification suggested by Finance that the remuneration to be given to Mr. Chowdhury maybe Rs 500/- instead of Rs 1,000/-. For orders.

25.3.46

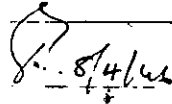

S
5.3.46

The D.I. & C., whom I have consulted, says that Mr. Choudhury is not prepared to accept any thing less than Rs.1.000/- for picture which he is confident of selling for thrice that price. The Govt. cannot compel him to sell a picture painted by him at a price they consider reasonable. As pointed out by the Finance Secretary the D.I. & C. (Mr. Khaleeli) should have fixed the remuneration before-hand in consultation with Govt. before asking Mr. Choudhury to undertake the work.

2. If the Govt. are not prepared to pay the price recommended by Mr. Khaleeli the following alternative suggestion made by the present D.I. & C., in consultation with Mr. Choudhury may be accepted:-

The picture may be returned to Mr. Choudhury who however will permit the Sericultural Department to make blocks out of his picture for printing their trade mark labels on payment of a nominal remuneration of Rs.100.

Finance may see again.
